Christopher Wallis meanwhile, basing himself on the definition given the tantric scholar Rāmakaṇṭha, gives four main features of tantra: "1) concern with ritual modes of manipulation (of the environment or one's own awareness), 2) requirement for esoteric initiation (to receive access to the scriptural teachings and practices), 3) a two-

fold goal of practice: the soteriological and ...

Vijaya Dashami is not only celebrated for the victory of good over evil but it also denotes a time for all the positive beginnings for one and all. One of the significant rituals at this point of time is Ezhuthiniruthu or Vid-yarambham, also called Aksharabhyasam (or the holy start of education) for toddlers where they write their first letter on rice and sand.

### **Studies - Ronald L. Grimes - Google Books**

This book argues that ritual theory is indispensable for the study of Christian beginnings. It also makes a strong case for the application of theories and insights from the Cognitive Science of Religion, a field that has established itself as a vigorous movement in Religious Studies over the past two decades.

**Ritual and Christian Beginnings - Hardcover - Risto Uro ...**

Abstract. Ritual serves an important function in the lives of individuals, couples, and families. This chapter provides an overview of important rituals across a number of faiths and explores their significance within the context of relationships.

We are back to our Beginnings series. We are entering Genesis 3 today - one of the most crucial chapters in this Book. Before we do that, however, I would like to say a few more words about that Torah Portion Ki Tissa - the one that we read last week and that I wrote my last post about.

3. Support a Ritual through a product. Regarding the capital-R Ritual genre, a designer can design artifacts to support existing Rituals, or to choreograph these Rituals

in better ways.

Ritual is a fact of school life and is enacted by teachers in their everyday classroom activities. This paper explores the various forms of ritual as they are played out in preschool settings. A key finding is that rituals have both variant and invariant qualities. The invariant order of ritual provides the stable framework that has become part of the school system, whereas rituals with high ...
