I'll miss Kiera, all her friends, Lucius, and the Dravens - especially Dom.

Blood of the Infinity Wars was a long time coming, and, while the beginning was a bit slow, the culmination was worth it. (Wished some of the typos had been caught but I was so engrossed in the story, they didn't take much away for me).

Warning this is a two-part book with the second part coming out the end of April 2018. This is book 11 in the Afterlife saga. The end of days might be over for our newlyweds, but the dark nights are closing in and what lies waiting in the shadows is what even nightmares are afraid of.

There are no words to describe Book 8 of the Afterlife Saga: Blood of the Infinity War, but since this review requires them I shall make what will doubtless be a feeble attempt. Those who have followed the story from the beginning have witnessed the metamorphosis of Keira from a frightened damaged soul to this final stage, a goddess of power and strength.
