Este novo dicionário engloba uma gama variada de expressões idiomáticas e coloquiais na língua portuguesa seguidas de possíveis traduções em inglês, que não são facilmente encontradas em dicionários disponíveis no mercado. Seu formato bilíngüe foi planejado para facilitar a consulta tanto na língua inglesa quanto na portuguesa. Excelente material de apoio para professores, tradutores e estudantes.

Conhecer os phrasal verbs é essencial para o domínio do inglês, pois eles são parte integrante, na língua escrita ou falada, do discurso formal e informal desse idioma. Embora haja milhares de phrasal verbs surgindo novos a todo momento, principalmente nas áreas de informática, de ciências e na linguagem coloquial, eles raramente constam dos dicionários de língua, apesar de serem tema relevante e específico do inglês. Por isso, o Michaelis Dicionário de Phrasal Verbs foi especialmente preparado para brasileiros que estudam esse idioma e para aqueles que o utilizam em leitura e comunicação, inclusive na atividade profissional. Elaborado pelos professores Clóvis Gregorim e Mark G. Nash, este dicionário abrange mais de 1.800 phrasal verbs usados frequentemente na comunicação do dia a dia, indicando sua transitividade e dando traduções ou equivalências claras e objetivas. Além disso, traz exemplos contextualizados que facilitam a compreensão desses verbos em revistas, jornais, romances, letras de músicas, filmes, programas de televisão etc.

With the help of a new free audio app, this revised and updated bilingual visual dictionary will help you improve your Portuguese vocabulary and pronunciation by seeing and hearing more than 7,000 terms. Full-color images with detailed labels display all the elements of everyday life—from the home and office to sports, mu-

sic, nature, and the countries of the world—with boxed features on key nouns, verbs, and useful phrases. Current words and phrases are featured. This handy travel-sized guide also includes a detailed index for instant reference. The audio app, available for Apple (from the App Store) and Android (from Google Play), enables you to hear words and phrases spoken by native Portuguese speakers. Download the app and scan in the book's barcode. Once you've unlocked your book and downloaded the audio files, you can enter any page number to find the word or phrase you're looking for to help improve your pronunciation.

Todos sabemos que precisamos evitar os erros de português. Falar é fácil. Mas como fazer na prática? São tantas as armadilhas, e encarar uma gramática maçante ou um livro escolar complicado desanima. Será que existe uma maneira prática de aprender a driblar esses erros? Em *Erros nunca mais*, Ivo Korytowski mapeia os erros de português mais comuns, quantifica a frequência com que são cometidos, especialmente na Internet – nossa atual fonte de pesquisa rápida –, e, por meio de explicações lógicas e de pequenos exercícios, ensina como evitá-los. Ao terminar a leitura deste livro, você ficará vacinado contra os erros de português habituais, e estará mais apto, mais capacitado, para enfrentar uma prova, um concurso, a vida profissional, a vida em geral. Mas lembre: a língua é um organismo vivo, em constante mutação. O português de hoje não é o mesmo do tempo dos trovadores medievais, ou do tempo dos poetas românticos. O que hoje é gíria amanhã pode se tornar palavra dicionarizada. Este livro está totalmente adaptado ao Acordo Ortográfico dos países da Língua Portuguesa, que passou a vigorar no Brasil em 2009.

This lively, practical text presents a fresh and comprehensive approach to doing qualitative research. The book offers a unique balance of theory and clear-cut choices for customizing every phase

of a qualitative study. A scholarly mix of classic and contemporary studies from multiple disciplines provides compelling, field-based examples of the full range of qualitative approaches. Readers learn about adaptive ways of designing studies, collecting data, analyzing data, and reporting findings. Key aspects of the researcher's craft are addressed, such as fieldwork options, the five phases of data analysis (with and without using computer-based software), and how to incorporate the researcher's "declarative" and "reflective" selves into a final report. Ideal for graduate-level courses, the text includes: * Discussions of ethnography, grounded theory, phenomenology, feminist research, and other approaches. * Instructions for creating a study bank to get a new study started. * End-of-chapter exercises and a semester-long, field-based project. * Quick study boxes, research vignettes, sample studies, and a glossary. * Previews for sections within chapters, and chapter recaps. * Discussion of the place of qualitative research among other social science methods, including mixed methods research.

A full picture of English as used in 2001, this comprehensive guide to written and spoken English has been updated with a new words section and colour headwords.

Dirty money draws Canadian police chief Reid Bennett and his dog south of the border, where they come up against racism, the mob—and murder. Canadian police chief Reid Bennett is back with his faithful dog Sam by his side. This time, the case takes them across the border to Chambers, Vermont, where an old buddy needs Reid's help. Doug Ford, a black policeman in the all-white town, has been charged with murdering the attractive bookkeeper of a local ski resort. Only Reid believes Doug's story that he and the woman were working together to investigate an entrenched money laundering conspiracy. But as new bodies pile up and the mafia rears its ugly head, things start to fall in line with Doug's story. Can Reid untangle the mystery before more blood gets shed? He will have to act fast—an unseen hand seems willing to stop at nothing to keep its secrets safe.

Elaborado de acordo com os pressupostos teóricos de terminologia e de lingüística de corpus, este Glossário reúne mais de 11 mil verbetes, utilizados na área jurídica. An up-to-date, modern dictionary which incorporates the latest words and terms in English, especially in the Indian context. Words and terms in IT, Business, Medical Science etc. too have been added to make a reference dictionary for all.

In today's "global village", nearly 450 million people speak English while another 350 million speak Spanish. The United States alone, with its more than 22 million Hispanic Americans, is now considered by many to be a bilingual society. As the practice of law and the resolution of legal issues, to a great extent, is all about precise communication, the impact of this on legal and business professionals is obvious - Spanish/English, English/Spanish translations are fast becoming an indispensable component of any thriving law practice or business, be it a small company or a multinatio-

nal corporation. Translations are now routinely required for trials, contracts, real estate and financial transactions, and in many other situations. Clearly then, the need for a comprehensive bilingual reference such as this one has never been greater. Wiley's English/Spanish and Spanish/English Legal Dictionary offers comprehensive, up-to-date coverage of more than 40,000 essential words and phrases spanning all legal disciplines and subdisciplines including construction, real estate, insurance, business, trial, environmental law, intellectual property, family law, and more. It was written by a professional translator in collaboration with an advisory committee comprising attorneys from some of the most prominent firms in the international legal community. Featuring an extremely user-friendly format, the Dictionary was designed for quick reference. It directs you instantly to the precise equivalent you need without first "rerouting" you through a maze of other irrelevant terms and phrases. Gender neutral equivalents are provided, and in cases where the nongender neutral term is the norm, both are given. Wiley's English/Spanish and Spanish/English Legal Dictionary puts all important English and Spanish legal terms at the fingertips of attorneys, businesspeople, paralegals, and law students. It belongs on the shelves of law firms, libraries, businesses, and international agencies. It is also an essential communications tool for translators, interpreters, and civil servants.

Bizarre messages, found carved into the flesh of two corpses in Mobile, Alabama, have launched a special unit devoted to solving psychotic crimes. They're also launching Detective Carson Ryder into a nightmare. Ryder's secret investigative weapon is his own family's terrifying past—and the shadowy counsel of his own brother, a brutal and taunting killer who knows all too well how madmen think. And as the body count continues, so too does Ryder's inescapable fear that the killer is as intimate—and as close—as the next victim.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. "A critically acclaimed guide to English usage. Includes more than 2,300 entries presenting the history, analysis, and recommendations regarding noted usage controversies. Entries are illustrated with more than 20,000 quotations from prominent writers."\\

From the great Brazilian author, an exotic tale of greed, madness, and a dispute between two powerful families over land on the cocoa-rich coast of Bahia A Penguin Classic The siren song of the lush, cocoa-growing forests of Bahia lures them all—the adventurers, the assassins, the gamblers, the brave and beautiful women. It is not a gentle song, but a song of greed, madness, and blood. It is a song that promises riches untold, or death for the price of a swig of rum . . . a song most cannot resist—until it is too late—not Margot, the golden blond prostitute who comes for love; not Cabral, the unscrupulous lawyer who works for one of the Cacao "colonels"; and not Juca, whose ruthless quest to reap the jungle's harvest plants the seeds of his own destruction. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Carandiru House of Detention, in the teeming city of São Paulo, was the largest and most crowded prison in Latin America. Known as the 'Old House', it was also highly unusual in the way it was governed. Closed to the outside world, and even largely to the wardens, it was run almost entirely by the inmates themselves, who created a unique society complete with politics, hierarchies and a system of justice. In 1989, at the height of the AIDS epidemic in Brazil, with only a handful of physicians attempting to treat an inmate population of over 7,000, the medical situation at Carandiru was dire. A city doctor, Drauzio Varella, volunteered his time at Carandiru over the course of thirteen years, in

an effort to combat the rampant disease. As he gained the inmates' trust he was given access to their society, where he was overwhelmed by the profound humanity and freedom of spirit shown by these men, despite their terrible crimes and the inhuman conditions in which they lived. Lockdown is Varella's powerful depiction of life on the inside, wherein he recounts the prisoners' colourful and surprising stories. The book ends with the massacre by the police of the prisoners that ultimately brought down the 'Old House'.

Book & mp3 CD. Pour vous aider á passer d'un anglais "appris" á

l'aisance d'une langue pratiquée, cet ouvrage vous familiarisera avec le vocabulaire économique, politique, informatique... Vous y découvrirez également la littérature anglaise contemporaine, ainsi qu'une sérieuse approche de l'américain et des américanismes.
