A definition essay is simply writing that expounds what a term means. Some terms have concrete definition while other terms depend on a person's viewpoint. When choosing a definition essay topic, you need to understand the topic before you pen the essay for others to read. Explain the term in simple words or in your own words.

In a paragraph, essay, or speech, an extended definition is an explanation and/or illustration of a word, thing, or concept. Randy Devillez in "Step by Step College Writing" says that an extended defi-

nition can be "as short as a paragraph or two or as long as several hundred pages (such as a legal definition of obscene )."

### Definition Paper

Writing an extended definition essay does not differ too much from writing a definition essay. In both cases you have to analyze a given term in various contexts, and to distinguish between different meanings of it. An extended definition essay allows you to write in a more general way, including opposition to the mundane definitions of the term, and casting doubt on them.
