An original full-length novel set in the Halo universe and based on the New York Times bestselling video game series! August 2558. Rion Forge was once defined by her relentless quest for hope amidst the refuse and wreckage of a post-Covenant War galaxy—years spent searching for family as much as fortune. But that was before Rion and the crew of her salvager ship Ace of Spades encountered a powerful yet tragic being who forever altered their lives. This remnant from eons past, when the Forerunners once thrived, brought with it a revelation of ancient machinations and a shocking, brutal history. Unfortunately, the Ace crew also made dire enemies of the Office of Naval Intelligence in the process, with the constant threat of capture and incarceration a very real possibility. Now with tensions mounting and ONI forces closing in, Rion and her companions commit to this being's very personal mission, unlocking untold secrets and even deadlier threats that have been hidden away for centuries from an unsuspecting universe....

The ongoing saga of one of the largest video game franchises in history gets the deluxe oversized treatment in this indispensable hardcover! An original digital-first novella set in the Halo Universe and based on the New York Times bestselling video game series! Find. Claim. Profit. In a post-war galaxy littered with scrap, it's the salvager's motto. And with a fast ship and a lust for adventure, Rion Forge has certainly made her mark on the trade. When the discovery of a wrecked UNSC cruiser brings Rion's past back to haunt her, stirring fresh hope into a decades-old wound, she's hell-bent on finding answers: What really happened to her father and his ship, the Spirit of Fire? This digital-first novella also contains the complete text of Kelly Gay's short story "Into the Fire," originally featured in the collection Halo: Fractures.

Doom is unquestionably one of the most influential videogames ever created, widely regarded as the original FPS (First-Person Shooter) and remains a touchstone for countless action games today. The Art Of Doom brings together concept artwork, sketches and screenshots from every classic instalment of the series, including Bethesda's most recent addition, Doom 3 (2012).

This anthology comic series is based on Halo Wars 2, the real-

time strategy video game from 343 Industries, which features the new ruthless villain in the Halo franchise, Atriox, whose defiance of the alien collective known as the Covenant is unmatched. Atriox, the legendary Brute who questioned the Great Journey and the will of the Prophets as he watched his comrades die for their cause. Atriox, who created the faction known across the universe as the Banished! The story of Atriox, his rise to power, his contempt for the Covenant and the formation of the Banished is told across this five-chapter anthology featuring characters and stories from Halo Wars 2. This collects stories by acclaimed comics creators Cullen Bunn, Jody Houser, John Jackson Miller, Alex Irvine, Josan Gonzalez, Jonathan Wayshak, Eric Nguyen and Hayden Sherman.

This massive collection features three classic Halo tales by some of the best writers and artists in comics. Halo: Uprising follows the Master Chief as he single-handedly takes on the Covenant's miles-long Forerunner Dreadnought as it makes its way to Earth! Then, join the ranks of the UNSC's meanest, most battle-hardened Marines in Helljumper, as a group of ODST respond to a remote science colony's SOS call and discover an enormous Covenant military presence! Finally, a UNSC ship encounters a strange phenomenon that sends it plummeting toward an unknown planet. The Spartan Black fireteam needs to unlock the secrets of an ancient Forerunner installation if they're going to survive the experience but, to complicate matters, they're not the only ones shipwrecked. Check out their story in Halo: Blood Line!

Plants of Power is a modern guide to the foundational plants you can grow in your own garden apothecary. Reconnect with the natural world and tap into the power of plants to help us, whether for mood, healing, love or other aspects of our lives.

A Spartan warrior-in-training decides to leave school—and the girl he loves—in this fantasy novella by the New York Times best-

selling author. I'm Logan Quinn, the deadliest Spartan warrior at Mythos Academy. At least I was—until the day I almost killed Gwen Frost. Professor Metis and Nickamedes say that I'm fine, that Loki and the Reapers don't have a hold on me anymore, but I can't risk it. I can't risk hurting Gwen again. So I'm leaving Mythos and going somewhere far, far away. I know Gwen wonders what's happening to me, whether I'm safe. I can't tell her, but this is my story.

An original full-length novel set in the Halo universe and based on the New York Times bestselling video game series! Just hours following their climactic battle on the Forerunner planet Genesis, the Spartans of Blue Team and Fireteam Osiris find themselves running for their lives from the malevolent machinations of the now-renegade artificial intelligence Cortana. But even as they attempt to stay one step ahead, trouble seems to find Spartan Edward Buck no matter where he turns. A secret mission enacted by the Office of Naval Intelligence could possibly help turn the tide, and has Buck reluctantly agreeing to reform his old team, Alpha-Nine. Because if the band is really getting back together for this one, that means everybody—including the Spartan who Buck never wants to see again, the one who committed the ultimate betrayal of trust...

An original full-length novel set in the Halo universe and based on the New York Times bestselling video game series! December 2553. Less than a year after the end of the Covenant War, a string of violent incidents continues to threaten the tenuous peace in human-held space, culminating in the assassination of UNSC fleet admiral Graselyn Tuwa and the abduction of her fami-

ly. It is a provocation so outrageous that the Office of Naval Intelligence must retaliate swiftly and ferociously—but only after its operatives identify her killer and rescue the hostages. This mission will be the first for homicide-detective-turned-ONI-operative Veta Lopis and her young team of Spartan-IIIs, and something feels wrong from the start. The obvious suspect is an infamous Brute who leads the Keepers of the One Freedom, an ex-Covenant splinter group in fierce opposition to the UNSC. But Lopis and her team soon realize that the truth is much more insidious than they could ever have imagined, and with Fred-104, Kelly-087, and Linda-058 of Blue Team for combat support, they must stop a plan hatched in the bowels of the secret research station Argent Moon—a plan so sinister it could destroy all those still reeling from thirty years of intergalactic conflict....

A guide to the video game provides information on its commands, individual campaigns, scoring, extras, tactics, and the secrets of multi-player mode.

From the hit HALO video game series comes a covert mission on a distant planet that puts the whole of human history at stake. Sent on a covert mission, without the rest of her team, Spartan Linda-058's skills in infiltration and marksmanship are called upon to end the threat posed by a wanted scientist on a distant planet. With only an ONI AI at her side, Linda must fight through both the dregs of the Covenant and the hostility of a lost human settlement to stop the rogue scientist in his tracks. Critically acclaimed Videogame Author Anne Toole (*Horizon: Zero Dawn*, *The Witcher*, *Assassin's Creed: Origins*) pens her first Halo story. The Halo series returns with beautiful pencils from Kieran McKeown (*White Canvas*) and stellar inks by JL Straw (*Back to the Future*). Collects

Halo Lone Wolf #1-#4.

"Stephen Van Evera's Guide to Methods makes an important contribution toward improving the use of case studies for theory development and testing in the social sciences. His trenchant and concise views on issues ranging from epistemology to specific research techniques manage to convey not only the methods but the ethos of research. This book is essential reading for social science students at all levels who aspire to conduct rigorous research."—Alexander L. George, Stanford University, and Andrew Bennett, Georgetown University "Van Evera has a keen awareness of the questions that arise in every phase of the political science research project—from initial conception to final presentation. Although others may not agree with all of his specific advice, all will appreciate his user-friendly introduction to what is sometimes seen as an abstract and difficult topic."—Timothy J. McKeown, University of North Carolina, Chapel Hill For the last few years, Stephen Van Evera has greeted new graduate students at MIT with a commonsense introduction to qualitative methods in the social sciences. His helpful hints, always warmly received, grew from a handful of memos to an underground classic primer. That primer has now evolved into a book of how-to information about graduate study, which is essential reading for graduate stu-

dents and undergraduates in political science, sociology, anthropology, economics, and history—and for their advisers.
