63HHNB - CHACE REAGAN

[Siren Classic ManLove: Erotic Alternative Paranormal Romance, MM, vampires, HEA] Luca Valente is finally living his dream, touring the country with the witch he loves, Jax Crane. But just when he thought things couldn't get any better, something happens that threatens to destroy everything he holds dear. There's something not quite right with Jax Crane. A spell he cast has gone wrong, and he can't fix it. An evil darkness grows inside him. It's fighting to break free. To protect Luca, the vampire he loves, and everyone else, he runs away. Unable to let Jax go, Luca vows to find him and save him. With the help of his brother Victor, he sets out to search for the only witch powerful enough to save Jax. But this witch dabbles in black magic

and has been waiting for Jax to turn to the darkness for quite a while. Will Luca be able to save Jax from the evil growing within him and the evil witch Luca sent to help him, the witch Jax calls Mother?

It's as old as time: the breakup letter. The kiss-off. The Dear John. The big adios. Simple in its premise, stunningly perfect in its effect. From Anne Boleyn to Sex and the City writer/producer Cindy Chupack, from women both well-known and unknown, imaginary and real, the letters here span the centuries and the emotions—providing a stirring, utterly gratifying glimpse at the power, wit, and fury of a woman's voice. In a never-before-published letter, Anaïs Nin gives her lover, C. L. Baldwin, a piece of her mind. Charlotte Brontë, in formal fashion, refuses the marriage proposal of Henry Nussey. In a previously unpublished

letter, Sylvia Plath writes to her childhood friend and brief lover, Phillip McCurdy, expressing her wish to maintain a platonic relationship. And "Susie Q." lets "Johnny Smack-O" know that she's onto his philandering. The brilliance of the mad missives, caustic communiqués, downhearted dispatches, sweet send-offs, and every other sort of good-bye that fills these pages will surely resonate with anyone who has ever loved, lost, left, languished, or laughed a hearty last laugh.

Investigative reporter Wensley Clarkson has spent years researching the most extreme and intriguing cases of women who commit murder. His books on the subject have sold across the world in their tens of thousands. Hell Hath No Fury Like a Woman Scorned is a gripping collection of twenty of Clarkson's most thrilling true sto-

ries. These are the tales of women who challenge our idea of what we still, mistakenly, often think of as the weaker sex. Their characters and backgrounds are as diverse as they are deadly, and their crimes are every bit as shocking as any of their male counterparts'. From the case of the beautiful Diana Perry, who suffered years of abuse at the hands of her husband before taking the matter into her own hands, to Bobby, a woman whose gruesome interest in blood led to one of the most horrific seduction killings ever seen, this book tells the chilling stories of women who kill, and examines exactly what triggers their murderous intent. The astonishing truth lies within these pages... The Multiverse science fiction/fantasy series returns with book 2 now in trade paperback! It began with two men. They came from very different worlds—entirely different universes, in fact—one using sorcery and the other using mental powers and steam-age technology. They met in a virgin forest on a duplicate planet Earth. Neither side knows who shot first, but each blames the other, and it doesn't really matter, now, because war has begun. War between the universes is the last

thing responsible leaders on either side want. But the fury of their respective populations, xenophobic fear of the unknown, and cries for "justice" (or vengeance), are all driving both sides towards the brink. And unscrupulous, power-hungry men—and Arcana and Sharona alike—have agendas of their own. The fuse has been lit, and a war stretching across the universes, fought between dragons, spells, and crossbows and repeating rifles, machine guns, and artillery is erupting in white-hot rage and fury. Where it will end—and how—no one knows. The Hell's Gate Series: Hell's Gate Hell Hath No Fury The Road to Hell About Hell's Gate: "Magic and high tech collide in this exciting military SF novel from bestseller Weber . . . The authors treat both societies sympathetically and realistically, with human vices and virtues evenly distributed."—Publishers Weekly

It has been said that women are the "gentle" sex. Apparently, not all of them got the message. Within the pages of this anthology are a dozen zombie tales by women who will help readers discover why they say something else about the ladies: Hell

Hath No Fury.

In these stories from HELLBLAZER #239-249, when the war-mage Mako carves a bloody swath through London's occult underworld, John Constantine tries to rally his former allies, despite all the bridges he's burned... Plus, when something goes horribly wrong in a secret room in the Vatican, a priest is forced to turn to Constantine for help. And in a story from HELLBLAZER SPECIAL: LADY CONSTANTINE #1-4, Johanna Constantine, 18th-century ancestor of Hellblazer, lands a job that promises a future of wealth and entitlement—and almost certain death and damnation in the frozen North Sea!

Gender Hate Online addresses the dynamic nature of misogyny: how it travels, what technological and cultural affordances support or obstruct this and what impact reappropriated expressions of misogyny have in other cultures. It adds significantly to an emergent body of scholarship on this topic by bringing together a variety of theoretical approaches, while also including reflections on the past, present, and future of feminism and its interconnections with technologies and media. It also addresses the fact that most work on this area has

been focused on the Global North, by including perspectives from Pakistan, India and Russia as well as intersectional and transcultural analyses. Finally, it addresses ways in which women fight back and reclaim online spaces, offering practical applications as well as critical analyses. This edited collection therefore addresses a substantial gap in scholarship by bringing together a body of work exclusively devoted to this topic. With perspectives from a variety of disciplines and geographic bases, the volume will be of major interest to scholars and students in the fields of gender, new media and hate speech.

Evan Dorkin! The students learn about the Dark Wisdom conspiracy, but can they warn everyone else about the planned attack on Dean Ogden's midnight funeral? Probably not, because we still have an issue to go! Also: Chimp Ho Tep's second escape attempt, an occult heist scheme, scrying, dying, corpse dumping, a dead art student, and the meat from space that eats your face. WTF?

Welcome to Chipping Cheddar, where supernaturals are hidden in plain sight...Annoying but loving family? Check.Pic-

turesque small town with a hot police chief? Check.A rescue hellhound, a black cat with attitude, and a pet python that thinks he's a puppy? Triple check.My story has all the hallmarks of a sweet and cozy supernatural tale, but there's a twist-I am evil.Well, I'm supposed to be evil thanks to both nature and nurture, but I fight it with every fiber of my being. I just want to live a normal life. I even joined the FBI instead of the Federal Bureau of Magic, until my powers reared their ugly head and the agency sent me packing back to my hometown to fight magical crimes instead. Now I'm back in Chipping Cheddar, living with my evil family, with a new job and all my old baggage. Oh, and there's a dead body, which was definitely not an accident. So there you have it. Welcome to my world. Great Balls of Fury is the first book in the Federal Bureau of Magic paranormal cozy mystery series. Other books in the series include--Fury Godmother, Book 2No Guts, No Fury, Book 3

To keep the money, he has to keep her as well...Cecily Nottingham has made a huge mistake. The marriage bed was still warm when the earl she thought she loved crawled out of it and announced that he

loved someone else.Loves. Someone else.All he saw in Cecily was her dowry.But he's in for the shock of his life, because in order to keep the money, he has to keep her. With nothing to lose, Cecily sets out to seduce her husband's cousin, Stephen Nottingham, in an attempt to goad the earl into divorcing her. Little does she realize that Stephen would turn out to be everything her husband was not: Honorable, loyal, trustworthy...Handsome as sin. Stephen only returned to England for one reason. Save his cousin's estate from financial ruin. Instead, he finds himself face to face with his cousins beautiful and scorned wife, he isn't sure what to do first, strangle his cousin, or kiss his wife. His honor is about to be questioned, right along with his self-control. Amid snakes, duels and a good catfight, Cecily realizes the game she's playing has high stakes indeed. There are only a few ways for a marriage to end in Regency England and none of them come without a high price. Is she willing to pay it? Is Stephen? A 'Happily Ever After' hangs in the balance, because, yes, love can conquer all, but sometimes it needs a little bit of help.

Welcome to HELL...SONJA. She's the

Queen of Damnation. She lords over the fiery pit of eternal hunger and suffering. But now, she's had enough of this evil s**t. She will bind together lost souls, and rove the multiverse to fill Hell's belly with only the most deserving of its punishment. If someone so wicked is beset upon you, if you're desperate enough, if no one else can help, maybe your prayer will be heard by...HELL SONJA. By CHRISTOPHER HASTINGS (Deadpool, Gwenpool) and PASQUALE QUALANO (Sonjaversal)! FBI Special Agent Phoenix Perry is faced with two serial killers as she investigates the brutal murders of a District of Columbia warden and his wife, and a socialite, her lover, and her closest friends. Original.

Is it ever too late for love? The Duchess of Prescott, now a widow, fears she's experienced all life has to offer. Thomas Findlay, a wealthy industrialist, knows she has not. Can he convince her she has love and passion in her future? And if he does, can she convince herself to embrace it? Hell Hath Frozen Over is a Christmas novella that pairs well with Hell in a Hand Basket. It is part of Annabelle Anders' wildly popular Devilish Debutantes' Series.

Entry #3 in the popular Hell's Gate series by 28 times New York Times best-selling author David Weber and Joelle Presby. The war between magically-gifted Arcana and psionically talented Sharonan continues to rage. The dragon-borne Arcanan assault across five universes has been halted at Fort Salby by a desperate defense, but at atrocious cost. One of those costs was the life of Crown Prince Janaki, heir to the newly created Sharonian Empire, who went knowingly to his death in the tradition expected of the House of Calirath. And another price will be the sacrifice of his younger sister, Grand Imperial Princess Andrin, now heir of Sharonan, for the accords creating the Sharonian Empire require the marriage of the heir to the Crown to wed a Uromathian prince. Andrin bears her family's Talent, the Glimpses, which show flashes of events yet to come. She knows the accords must be secured . . . and like her brother, she will pay any price, make any sacrifice for her duty to her people. Sharonan's soldiers dig in, facing the Arcanans in a tense standoff which cannot last long. Both sides continue rushing reinforcements towards the front, but how do armies fight wars when they can reach one

another only through the portals which join the universes? And far, far behind the front, carried by dragons, a young Voice name Shaylar and her husband Jathmar hurtle deeper and deeper into Arcanan captivity, their only protection the fierce personal honor of the Andaran officer whose men massacred all of their companions in the horrendous misunderstanding which began the entire conflict. Men and women of honor on both sides must grapple with the terrible costs and deadly secrets of the spreading cataclysm, and in the shadows, those who will balk at neither treason nor murder drive the conspiracies which pour fuel into the furnace. The stakes are high and the pieces are in motion, but there are factors known not even to the conspirators and not even a Calirath can Glimpse the final outcome. The Hell's Gate Series: The Road to Hell Hath No Fury Hell's Gate About the Hell's Gate series: "Magic and high tech collide in this exciting military SF novel from bestseller Weber . . . The authors treat both societies sympathetically and realistically, with human vices and virtues evenly distributed."-Publishers Weekly About the Honor Harrington series: "Weber combines realistic, engaging char-

acters with intelligent technological projection and a deep understanding of military bureaucracy in this long-awaited Honor Harrington novel...Fans of this venerable space opera will rejoice to see Honor back in action."-Publishers Weekly ". . .everything you could want in a heroine Excellent ... plenty of action."-Science Fiction Age "Brilliant! Brilliant! Brilliant!"-Anne McCaffrey "Compelling combat combined with engaging characters for a great space opera adventure."-Locus "Weber combines realistic, engaging characters with intelligent technological projection . . . Fans of this venerable space opera will rejoice . . ."-Publishers Weekly

Be cruel to your enemy and they will dread the very notion of you. While the hunt for the former SAS trio continues across Britain, a wave of pro-vigilantism is whipped up by the duplicitous UK media. Detective Inspector Jim Brannigan's world is thrown into turmoil when his partner is inexplicably shot by one of the ex soldiers. As she clings to life, the vengeful copper learns that the elite killers have spread their net to include resurgent terrorists, a strategy that leads to mayhem on the streets of The UK. Unknown to even his

comrades, the unit leader plans one final devastating act of revenge. * Includes a BONUS 90 page novella that acts as a prequel to Books One and Two in the Wicked Will Perish series.

The Blondes is a hilarious and whip-smart novel where an epidemic of a rabies-like disease is carried only by blonde women, all of whom must go to great lengths to conceal their blondness. Hazel Hayes is a grad student living in New York City. As the novel opens, she learns she is pregnant (from an affair with her married professor) at an apocalyptically bad time: random but deadly attacks on passers-by, all by blonde women, are terrorizing New Yorkers. Soon it becomes clear that the attacks are symptoms of a strange illness that is transforming blondes—whether CEOs, flight attendants, students or accountants—into rabid killers. Emily Schultz's beautifully realized novel is a mix of satire, thriller, and serious literary work. With biting satiric wit, *The Blondes* is at once an examination of the complex relationships between women, and a merciless but giddily enjoyable portrait of what happens in a world where beauty is—literally—deadly.

GATEWAY TO HELL'S FURY The Union of Arcana has expanded through the portals linking parallel universes for over a century and a half. In that time, its soldiers and sorcerers have laid claim to one uninhabited planet after another^{3/4}all of them Earth, and in the process, the Union has become the most powerful, most wealthy civilization in all of human history. But now the Union's scouts have discovered a new portal, and on its far side lies another human society, Sharona, which has also been exploring the Multiverse, and the first contact between them did not go well. Arcana is horrified by the alien weapons of its sudden opponents, weapons its sorcerers cannot explain, weapons based upon something called . . . science. But Sharona is equally horrified by Arcana's "magical" weapons. Neither side expected the confrontation and each thinks the other fired first. But as the initial disastrous contact snowballs into all-out warfare, both sides can agree on one thing. The portal which brought them together is Hell's Gate itself! At the publisher's request, this title is sold without DRM (Digital Rights Management). "Magic and high tech collide in this exciting military SF novel from bestseller We-

ber and Evans, the first of a new series. . . . The authors treat both societies sympathetically and realistically, with human vices and virtues evenly distributed."¾Publishers Weekly

In this action-packed, Spur Award-winning western series opener, an army scout must find two lost newlyweds in a land where he's as good as dead. To start their new life together, Jamie Pratt and his young bride join a westward wagon train bound for the Rocky Mountains. They get as far as Helena when their unscrupulous wagon master deserts them, leaving them as good as dead in a godforsaken, blood-scorched land. The other settlers agree to set stakes where they are, but Jamie and his wife press on toward the Bitterroot Valley, deep into Sioux territory. They never come out the other side. Jamie's brother, Monroe, enlists the legendary scout John Hawk to find them. A hardened veteran of the range, Hawk is living off the land in a little cabin on the Boulder River when Monroe comes begging for his help. To rescue the Pratts, Hawk—and his guns—will soon be back in the saddle, riding fast and fierce into deadly odds. For any other man it's a suicide mission. But for Hawk, it's

what he was made for . . . Winner of the 2018 Spur Award for Best Paperback Western

This dictionary aims to help users to find the most appropriate word to use on a wide range of occasions. It is designed in particular for students, those writing reports, letters and speeches, and crossword solvers, but is also useful as a general word reference. Special features include: an alphabetical A-Z listing; numbered senses for words with more than one meaning; British and American variants; and specially marked colloquial uses.

Delve into this enthralling and emotional saga of one woman's fight for a better life from much-loved multi-million copy best-seller Rosie Harris. ***** COULD SHE LOVE HIM, COME WHAT MAY? 'One last word of warning, my girl. Keep well away from that Hadyn Jenkins.' In spite of her father's words of warning, Sharon Pritchard decides to give up everything to follow her heart. However, her new life with Hadyn is anything but easy. Although he is handsome and charming, he is feckless and unreliable. And they soon find themselves sinking ever faster into poverty. The birth of their son should be a joyous occasion, but Sharon fears for him amongst the filth and despair of Tiger Bay. And when Hadyn's errant ways catch up with him, Sharon is faced with a devastating truth. Can her love for Hadyn survive and will she be able to provide a better future for herself and her son...?

Hell hath no fury...like an angry god of the underworld. Persephone is missing. When Hades uses every resource at his disposal and fails to locate his wife, he takes drastic measures. He hires the Montague & Strong Detective Agency to locate her, bring her back to him, and most importantly, find out who dared to kidnap his wife. Now Monty & Strong must uncover a plot to overthrow Hades and steal the un-

derworld, return Persephone to her husband unharmed, and prevent a god from unleashing his wrath and starting a celestial battle royale. It's not the end of the world...but it's going to be close.

An engaging collection that uncovers injustices in history and overturns misconceptions about the role of women in war. When you think of war, you think of men, right? Not so fast. In *Hell Hath No Fury*, Rosalind Miles and Robin Cross prove that although many of their stories have been erased or forgotten, women have played an integral role in wars throughout history. In witty and compelling biographical essays categorized and alphabetized for easy reference, Miles and Cross introduce us to war leaders (Cleopatra, Elizabeth I, Margaret Thatcher); combatants (Molly Pitcher, Lily Litvak, Tammy Duckworth); spies (Belle Boyd, Virginia Hall, Noor Inayat Khan); reporters and propagandists (Martha Gellhorn, Tokyo Rose, Anna Politkovskaya); and more. These are women who have taken action and who challenge our perceived notions of womanhood. Some will be familiar to readers, but most will not, though their deeds during wartime were every bit as important as their male contempo-

raries' more heralded contributions.

The first major book to examine ancient Christian literature on hell through the lenses of gender and disability studies. Throughout the Christian tradition, descriptions of hell's fiery torments have shaped contemporary notions of the afterlife, divine justice, and physical suffering. But rarely do we consider the roots of such conceptions, which originate in a group of understudied ancient texts: the early Christian apocalypses. In this pioneering study, Meghan Henning illuminates how the bodies that populate hell in early Christian literature—largely those of women, enslaved persons, and individuals with disabilities—are punished after death in spaces that mirror real carceral spaces, effectually criminalizing those bodies on earth. Contextualizing the apocalypses alongside ancient medical texts, inscriptions, philosophy, and patristic writings, this book demonstrates the ways that Christian depictions of hell intensified and preserved ancient notions of gender and bodily normativity that continue to inform Christian identity.

BLIZZARDS, BEARS, AND BARROOM BRAWLS Disgraced sheriff's deputy Ruth

Cortez never thought she'd be a wanted fugitive. She certainly never expected to be facing the End Times with nothing but an old flintlock and a dead man's boots. But someone has to stop the snake-handling Reverend Jolly before he recruits the most infamous outlaws in the Northern Territory to terrorize her hometown. With luck, she can stay one step ahead of her lover-turned-enemy Marshal Sebastian Hardin—and keep the irrepressible Lee Merriweather from landing them all in even deeper trouble. When Ruth, Lee and the train cook Ned Carver roll into Hatchet, the Wickedest Little Town in the N.T., all their plans go sideways. Something is terribly wrong with Ruth's cantankerous phantom, Doc. And an unexpected betrayal leaves them in their tightest spot yet. Things are looking decidedly grim when evil forces descend on the isolated town of Lucky Boy. But as they say on the prairie, a pair of six-shooters beats a pair of sixes—and Hell hath no fury like a woman defending her home.

There are 45 chapters in *Hell Hath No Fury: Women Who Kill* on women who have committed murder. Part One: Wom-

en Who Kill Their Children features 21 stories on mothers who have murdered their own children. The high profile cases such as Susan Smith and Andrea Yates are here but also some that you may not have heard of. Part Two: Women Who Kill Their Husbands has 10 chapters including the Anti-Freeze Killer and the Black Widow of the Internet. Part Three: More Notorious Murders by Women has eight more cases including A Fatal Attraction and Hell Born Hitchhiker. The book concludes with Part Four: Some Younger Females Who Kill which features six chapters including Girls Just Want To Have Fun and The Killer and His Raven. The book concludes with an overview of postpartum depression/psychosis and munchausen by proxy. The paperback version of Hell Hath No Fury: Women Who Kill includes more than 150 pictures. "B-B-B-B Bad... Bad to the bone..." Packed with interviews from director John Carpenter, screenwriter Bill Phillips, producer Richard Kobritz, stars Keith Gordon and Alexandra Paul, plus various members of the cast and crew including co-composer Alan Howarth and SFX artist Roy Arbogast, "Hell Hath No Fury: The Making of Christine" is a definitive look at the 1983 cine-

matic adaptation of Stephen King's terrifying novel about the eponymous demonic Plymouth Fury and the obsessive teenage boy who loves her. Author Lee Gambin examines Carpenter's film by exploring themes such as possession, gender politics, sexuality, the use of rock'n'roll, the complexities of varied relationships, class resentment, the landscape of suburbia, the alienation felt during teenage years and more, including a recurring coverage of cars in film (both supernatural and not). Loaded with photographs as well as production notes, this book is essential for all John Carpenter fans, Stephen King devotees, horror film enthusiasts and for anyone who can remember their first car. So buckle in and take a ride and remember "Rock'n'Roll is here to stay! It will never die!" The first major book to examine ancient Christian literature on hell through the lenses of gender and disability studies Throughout the Christian tradition, descriptions of hell's fiery torments have shaped contemporary notions of the afterlife, divine justice, and physical suffering. But rarely do we consider the roots of such conceptions, which originate in a group of

understudied ancient texts: the early Christian apocalypses. In this pioneering study, Meghan Henning illuminates how the bodies that populate hell in early Christian literature--largely those of women, enslaved persons, and individuals with disabilities--are punished after death in spaces that mirror real carceral spaces, effectually criminalizing those bodies on earth. Contextualizing the apocalypses alongside ancient medical texts, inscriptions, philosophy, and patristic writings, this book demonstrates the ways that Christian depictions of hell intensified and preserved ancient notions of gender and bodily normativity that continue to inform Christian identity.

The world is different now . . . The return of the ancient Atlantean races has brought with them sinister magic, alien beings, and a new world order where technology is outlawed. Opposing these invaders is the Human League of Nations, who cling to their advanced weaponry to expel the Atlantean threat. Those caught in between these two superpowers must fend for themselves. In the fledgling city-state of Aurora, Rachella, a mysterious Vanir woman, is accused of assassinating a senator. She denies any in-

volvement, but her subsequent escape from police custody indicates otherwise. As Detective Swan leads the hunt to recapture their suspect, Rachella makes it her goal to find those responsible and exact a harsh revenge. The once peaceful city is now a warzone, and everyone soon realizes that to scorn the likes of Rachella is to bring the full fury of hell down on them.

Seventy percent of Americans believe in hell, as do 92 percent of those who attend church every week. In her candid and inviting style, Baker explores and ultimately refutes many traditional views of hell.

The vast Union of Arcana has expanded its wealth and power by laying claim to one uninhabited planet after another through the portals linking parallel universes, until they discover a new portal that leads to another human society, Sharona, which has also been exploring the Multiverse and is dedicated to science rather than to magic.

An account of the murders of Dan Broderick and his new bride, Linda, describes how Betty Broderick, distraught over her ex-husband's new marriage, shot and killed him and his wife in their bed. Reiss-

sue.

Psychoanalytic Perspectives on Women and Power in Contemporary Fiction psychoanalytically examines contemporary fiction portraying the female in a reversal of the stereotyped victim role. The recent popularity of powerful female characters suggests that literature is ahead in its understanding the desires, fantasies and unconscious emotions of the public. This book explores a form of intimacy frequently observed in consulting rooms and in life in general: malicious intimacy. Specific to the conjugal bond, it is a type of intimacy connected to the relationship between the two halves of the couple that is extremely powerful and painful. Instead of clinical cases, Rossella Valdre examines four contemporary and widely successful novels, published contemporaneously, which capture perfectly this type of psychopathological universe. Valdre then maps out psychoanalytic hypotheses regarding the persistence of these malicious intimacies. Through analysis of these examples, Valdre investigates the roots and hypotheses of a new scenario on victim-executioner roles played out in the intimacy of the couple. Exploring how and if the contempo-

rary couple is undergoing profound changes, she provides an overview of the various deep-seated psychological mechanisms and unconscious dynamics that may be at work. The book explores the need to not be dependant upon a love object as an extreme defence against abandonment or self-collapse. Valdre argues that such a configuration is very common, and that Idealization in contemporary life is one of the reasons behind the most of sufferance in modern couples, something which psychoanalysis can examine through art. Women, perhaps, after emancipation, are living overturned roles and paying a higher cost as a result. Psychoanalytic Perspectives on Women and Power in Contemporary Fiction will appeal to psychoanalysts and psychoanalytic psychotherapists, and be of interest to scholars and students of literature, gender studies, philosophy and sociology.

The world's strongest female, Red She-Hulk, has a new mission - and she's dead set on a path of destruction! Her enemies? Every super-powered being in the Marvel Universe! Captain America has no choice but to hunt her down...but will the newly

redesigned X-51 need to use lethal force against her? And even if he has to make that tough call...will it even be enough to take a fighting mad Red She-Hulk down!? A smashing new direction begins here! COLLECTING: Red She -Hulk 58-62

In Hell Hath No Fury, RC Boldt brings us an unforgettable tale of loss, betrayal, and revenge in this new romantic suspense standalone... Seven years ago, they took everything from me. My father. My husband. My child. When they stole my chance at justice, I vowed to get revenge. Then I met him. He tempts that long-lost part of me, but his presence is a reminder that betrayal lurks around every corner. Their biggest mistake is underestimating my commit-

ment for vengeance. They don't realize that when it comes to a woman like me, hell hath no fury.

ZAYVION MILLER is as ruthless and skilled when it comes to being the unseen hand, but now that the two people he once trusted with his life have betrayed him for the world to see, what will he do? Is Zayvion out of moves? Or is he so far ahead that he's starting a new game? It's said that two heads are better than one, so with CARMEN and ROCKO firmly aligned, they should easily outwit Zay. But nothing is for certain when A HUSTLER'S DECEIT reaches an all-time high in treachery and blood thirst. In this story of love, life, loss, cold blooded murder and calculated mayhem,

everybody has a position to play, including side pieces and baby mamas. Who will remain standing and who will fall? Hell hath no fury like a woman scorned, but a killer's wrath is just as lethal.

This book is a compilation of the three "Forced Fem Trilogy" short stories about a crossdresser forced to become a full MtF transgender. Could this happen to you if you anger your wife?

A guide to non-traditional sexual expression, presented in the form of answers to written letters, draws on the author's expertise in evolutionary biology and considers such topics as necrophilia, bestiality, sex changes, virgin births, and male pregnancy. 50,000 first printing.
