XDU9ZX - RAMOS TY

This new official DSA book is specifically designed to help bus and coach drivers prepare for their initial Certificate of Professional Competence (CPC) by focusing on the syllabus of the two new modules - case studies and the practical demonstration test. The CPC is a new qualification that all professional bus and coach drivers will need to hold in addition to their vocational driving licence. Its aim for the Driver CPC is to improve the knowledge and skills of PCV drivers and also to ensure these skills are developed throughout their working life. This book is also essential reading for all learner PCV (Passenger Carrying Vehicle) drivers.

Contents of pack: The official theory test for car drivers and the highway code (ISBN 9780115528866); The official DSA guide to driving: the essential skills (9780115528170); The official DSA guide to learning to drive (9780115528583)

The official guide which explains the standards required to complete the Compulsory Basic Training (CBT) course and pass the practical motorcycle test. Good

preparation will make it more likely to achieve a pass first time whilst also improving skills for the future.

Topics covered include: the motorcycle rider and the law; choosing a motorcycle; clothing and protection; motorcycle controls; traffic signs; defensive riding; riding in bad weather, at night or on motorways; passengers and loads; basic maintenance; accidents and emergencies; eco-safe riding; dealing with traffic congestion; and travelling in Europe. Supersedes previous edition (ISBN 9780115534140)

This is the industry-standard driving manual. It is focussed on you, the driver, and explains how to get the most enjoyment from your driving with the correct attitude, behaviour and skills. The Official DSA Guide to Driving - the essential skills, together with The Official Highway Code and Know Your Traffic Signs, provides the source material for learner car driver and driving instructor theory tests, being referenced throughout with the latest official DSA theory test titles for car drivers.

This Driving Standards Agency publication contains guidance on the official syllabus and practical test requirements for driving a large goods vehicle (LGV), as well as on driving techniques for different vehicles and conditions, load restraint, EC and UK legal requirements, working time and tachograph regulations, freight transport organisation, dealing with emergencies, new safety checks and minimum test vehicle requirements. This edition includes information to help

prepare for the extended theory and practical tests that link to the new Driver Certificate of Professional Competence (CPC)

This publication, compiled by the Driving Standards Agency, sets out official guidance on the standards required to complete the five modules of the Compulsory Basic Training (CBT) course and to pass the practical test for motorcyclists. It supersedes the publication 'Official motorcycling: CBT, theory and practical test' (4th ed., 2003, ISBN 011552519X).

This comprehensive guide provides you with everything you need to know to learn and maintain safe driving skills for life. For learners, experienced motorists, professional drivers and instructors alike. Five reasons to buy it: 1) For your driving life packed with loads of useful advice to help you stay safe on the roads; ideal for refreshing your knowledge before and after your test; 2) For learners key source material for car and driving instructor theory tests, study this text for complete test preparation; 3) Driving techniques information on essential driving skills including manoeuvring, defensive driving and overtaking safely; 4) All conditions including driving at night, in all weather conditions and through road works; 5) Extra information including vehicle maintenance and security, ecosafe driving, towing, driving in Europe and advice for taxi drivers.

This guide combines all the information the novice rider needs to know about compulsory basic training with all the instruction the motorcyclist needs in order to prepare for the practical test.

This official guide from the Driving Standards Agency is specifically designed to help bus and coach drivers prepare for their initial Certificate of Professional Competence (CPC). It focuses on the syl-

labus of two new modules: case studies (part two of the CPC test) and the practical demonstration test (part four of the CPC test). This new edition has been updated to include additional information on periodic training and ecosafe driving. This official guide has been prepared in close consultation with a working group of industry experts and experienced PCV trainers from GoSkills, First Group, Arriva and East London Bus Group, so it is up-to-date with current industry thinking.

Contains information needed to pass the multiple choice part of the driving theory test. This guide also contains two sample revision tests.

Updated and redesigned for 2015, this is THE industry-standard driving manual. It is focussed on you, the driver, and explains how to get the most enjoyment from your driving with the correct attitude, behaviour and skills. The Official DSA Guide to Driving - the essential skills, together with The Official Highway Code and Know Your Traffic Signs, provides the source material for learner car driver and driving instructor theory tests, being referenced throughout with the latest official DSA theory test titles for car drivers.

Containing the DSA syllabus for driving instructor training purposes this text should be essential reading for all those wanting to instruct to a high standard and put safer drivers on the road.

Explains the standards required to pass the practical PCV (passenger carrying vehicle) test. Filled with advice to help PCV drivers become safer on the road, this guide is suitable for new and experienced bus and coach drivers and trainers. It includes information which can form the basis of the Driver CPC test to be introduced during 2008. This book is the only official guide which explains the

standards required to pass today's practical PCV (passenger carrying vehicle) test. Packed with expert advice to help all PCV drivers become safer on the road, this new edition for 2008 is the definitive guide for new and experienced bus and coach drivers and trainers. This new edition includes a wealth of additional information which will form the basis of the new Driver CPC test to be introduced during 2008. Fully illustrated and written in a clear and easy-to-understand style by the Driving Standards Agency - the people who conduct the PCV tests. Thousands of deaths that occur each year on UK roads may be prevented by improving standards of driving. By promoting the correct attitude and approach, along with essential professional driving skills, this book will keep you and your passengers safe. Whether you're a new or experienced PCV driver, you have a special responsibility to yourself and all other road users. This new edition of the official DSA guide will help you to acquire and maintain the skills necessary to drive your vehicle with the utmost safety and consideration. Stressing safety, competence and professionalism it includes essential guidance on: the official PCV syllabus and practical test requirements; eco-safe driving and avoiding and dealing with congestion; attitude and driving techniques for different PCVs and conditions; EC and UK legal requirements plus the new working time regulations; accidents, health and safety issues and handling techniques, and it supersedes 97801155526572.

This Driving Standards Agency publication contains guidance on the official syllabus and practical test requirements for driving a large goods vehicle (LGV), as well as on driving techniques for different vehicles and conditions, load restraint, EC and UK legal requirements,

working time and tachograph regulations, freight transport organisation, dealing with emergencies, new safety checks and minimum test vehicle requirements. This new edition includes information to help prepare for the extended theory and practical tests that link to the introduction of the Driver Certificate of Professional Competence (CPC) in September 2009. It supersedes the 7th edition (2005, ISBN 9780115526565).

This new edition has been updated to include details on independent driving (which is being introduced into the practical driving test from October 2010), additional information on emergency diversions and travelling through road works, and advice on overtaking slow-moving vehicles, plus other key revisions. The Official DSA Guide to Driving - the essential skills, together with The Official Highway Code and Know Your Traffic Signs, provides the source material for learner car driver and driving instructor theory tests, being referenced throughout with the latest official DSA theory test titles for car drivers.

Produced by the Driving Standards Agency, this DVD publication is the official interactive guide to the standards required for passing the practical driving test, compatible with DVD players, games consoles and PCs. It includes an interactive menu with information on the 24 key skills required to pass the test, as well a digital version of 'The Highway Code', a video showing what to expect when taking the test, guidance on the top ten reasons why people fail their test; and links to relevant websites. It supersedes "The official guide to learning to drive" DVD (2004, ISBN 0115526099).

The official guide which explains the standards required to pass today's practical driving test. Most people fail their driving

test because they are not prepared. 'The Official DSA Guide to Learning to Drive' will help the learner and anyone helping someone learn to drive by explaining the standard required for each key skill examined within the driving test. This new edition will help the person sitting in the passenger seat understand what the learner needs to practise and the potential hazards they may encounter. The aim is to make sure that the learner is capable of driving safely and confidently, without prompting from an instructor, before they take their test.
