to at least eight statements in the activity below. words by parts of speech that will be filled in to complete stories. Students love the silly stories that result from the words they have offered. To use in the classroom, go around and ask each student to contribute one word in the blanks. There are also on-line versions of this fill-in-the-blank parts of speech practice.

Parts of speech--one of my favorite things to teach! I love grammar anyway, which makes teaching this concept to children even MORE fun! Children need to know that grammar is more than just circling and crossing out on a worksheet or gluing words into a parts of speech sort. One way to bring parts of speech to life is connecting it to real life.
