The government has promised to repeal Section 28 of the Local Government Act 1988, which forbids the promotion of homosexuality by local authorities. The plans have sparked considerable debate: in June the Scottish parliament scrapped Section 28 but in England and Wales the controversy continues.

The non-vascular plants include mosses, hornworts and liverworts, and some algae. They are generally small plants limited in size by poor transport meth-

ods for water, gases and other compounds. They reproduce via spores rather than seeds and do not produce flowers, fruit or wood.
