Starry Night is one of the most recognized pieces of art in the world. It is absolutely everywhere, too. It can be seen on coffee, mugs, t-shirts, towels, magnets, etc. Honestly, it sometimes feels as if the painting's fame has exceeded that of its creator. It is a magnificent piece of art.

The Starry Night has risen to the peak of artistic achievements. Although Van Gogh sold only one painting in his whole life, "Starry Night" is an icon of modern art, the Mona Lisa for our time. As Leonardo da Vinci evoked a Renaissance ideal of serenity and self-control, Van Gogh defined how we see our own age - wracked with solitude and uncertainty.
